List Of Partners

Achromic Point is a leading International Intelligence and Events Company that delivers Business Seminars, Conferences, Virtual Events and Trainings for Corporates. With over 14 years of experience, we have trained almost 20,000+ Professionals, 4000+ Corporate and organized 1500+ Seminars/Conferences/Webinars and the journey continues.

Our reputation and expertise, combined with a record of outstanding service, knowledge to our Professionals, Time Management, Excellence & Commitment, our team of professionals offers expertise in event organization and management to ensure the delivery of successful events. Our foundation stone is laid on the fundamentals of an ethical, profitable & sustainable growth through a partnering approach.

Why Choose Us?

WHY?

01

Promote your brand, products and services and increase your brand awareness:

Our events provide a financially savvy approach to promote your brand, products and services to a right audience. In addition, partnering at one of our events is an extraordinary way to reach your audience.

02

Identify new customers and attain sales leads:

Our databases and directories provide comprehensive, targeted and up-to-date lists of potential clients for your company. They will help to make your sales teams more effective and grow your revenues from new customers.

03

Build better contacts:

Our events provide the ideal environment to make new contacts and network with key players in a particular division. They draw high-level audiences from throughout the supply chain with a clear interest in the event's theme.

04

Improve your strategic decision making:

Our events can provide you with a greater understanding of global market trends. This will help you to identify opportunities and pitfalls and enable you to make informed strategic decisions for your business.

05

Ranking yourself as an industry leader:

Promoting your company allows you several networking opportunities with high profile delegates and speakers. It also gives the sponsoring company an opportunity to penetrate and position itself as an active player in the consumer industry.
